

## The National Catechetical Study (NCS) 2021: Pastoral Action Research and Intervention (PARI) Project

A project of the *Catholic Bishops' Conference of the Philippines (CBCP)* –  
*Episcopal Commission on Catechesis and Catholic Education (ECCCE)*  
and the *UST Research Center for Social Sciences and Education (RCSSSED)*

### STUDYING CATECHETICAL FORMATION PROGRAMS (SCFP)

#### FORMATION TRACER STUDY TOOL (FTST)

Dear Participant,

You are selected to answer the *formation tracer questionnaire* for the pastoral research, *Studying the Catechetical Formation Programs (SCFP)* of the *National Catechetical Study (NCS) 2021: Pastoral Action Research and Intervention (PARI) Project*. This survey asks questions on the following:

1. Your experiences about your catechetical formation from your catechetical formation program;
2. Your general opinion about formation skills relative to (a) catechetical formation attributes, (b) practice of catechetical formation attributes, (c) essential lifelong skills, and (d) life formation dimensions;
3. Your views about the support for catechists and program improvement for the catechetical formation; and
4. Your sociodemographic profile.

Your responses will help us in understanding the Philippine catechetical formation program in order to implement research-based intervention activities toward a relevant and meaningful catechetical ministry (CM) in the country. Our hope is that this study will generate educative opportunities for new modes of catechesis and evangelization in the Philippines.

The questionnaire includes **51 questions** and will take about **20 minutes** to finish. This is voluntary and you may stop answering the process at any given time.

Be assured that all information shared in the data that you will provide will only be used for research purposes. The final research results will be reported and will be made available in 2021.

If you have any questions or concerns regarding this visual data gathering, please contact:
