

Research Tools Design & Development Finalization Workshop

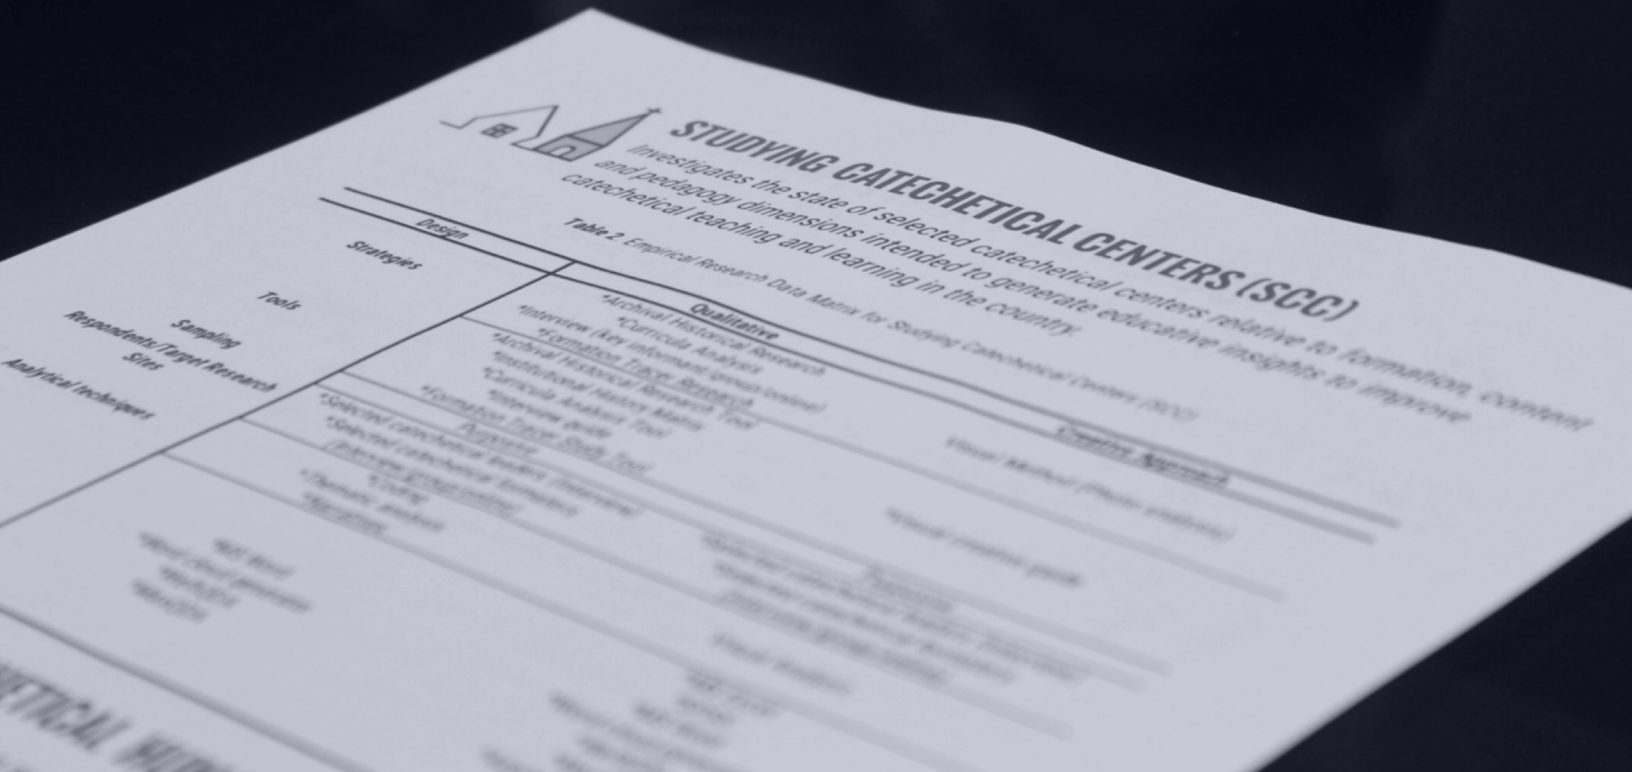

July 25 to 27, 2019

8:00 AM - 5:00 PM

Meeting Room 1 3F

Tan Yan Kee Student Center

University of Santo Tomas

Workshop Objectives

This workshop integrates outputs and insights from various consultations, field visits, literature reviews, and interactions with catechists and catechetical leaders to *finalize* the set of research tools for the pastoral action researches:

1. *Studying the Catechized (SC)*;
2. *Studying Catechetical Centers (SCC)*; and,
3. *Studying Catechetical Human Resources (SCHR)*.

Specifically, the workshop intends to:

1. Produce, design, and develop the following research tools for *SC* (*survey questionnaire, interview guide*); *SCC* and *SCHR* (*institutional tracer matrix, curricula analytical tool, visual creative guide, formation tracer, interview guide*);
2. Write drafts of *literature reviews* on the conceptual research focuses namely, the catechetical ministry, catechized, catechetical centers, and catechetical human resources for discussion purposes;
3. Prepare documents for submission to the Ethics Review Board of the UST Graduate School; and
4. Finalize *research plan* and prepare *calendar of activities* for data-gathering scheduled from August to December 2019.
