

# ORIENTATION & PILOT TESTING *for the* NCS 2021: PARI Project

---

*Joint 19th Annual Meeting of Catechetical Ministers  
(AMCM) – 14th Association of Catechetical Centers  
and Colleges/Universities with Religious Education  
(ACCCRE) Annual Assembly*

September 30 – October 2, 2019  
Sta. Catalina Spirituality Center,  
Baguio City

# PLAN OF ACTION

The aim of this **ORIENTATION & PILOT TESTING** activity is three-fold: (a) *to pilot test research tools*; (b) *to give data-gathering orientation*; and (c) *to establish a network with the catechetical ministers* in order to ensure success in gathering **NCS 2021: PARI Project** data.

The **Research Team** will pilot test our *survey questionnaire* for the pastoral research, *Studying the Catechized (SC)* with the AMCM and ACCCRE participants on September 30, 2019, Monday, starting 8:00 AM. Completed questionnaires will be accepted until evening. These questionnaires will be encoded overnight for purposes of presentation.

The initial results of this survey will be presented on October 1, 2019 at 10:30 AM alongside with the orientation of data-gathering procedures and encouragement to volunteer as *Katekistang Kalakbay sa Pananaliksik (KKP)*. The vision is to have one (or more) volunteer/s KKP per Ecclesiastical Territory (ET) who will serve as key person/s to gather data (survey enumerator), interview selected respondents (interviewer); encode paper-based questionnaires using *Kobo Toolbox* data-gathering application thru the provided phones. Note that the encoding process would not need any Internet access.

Also, pilot testing of *other research tools* will be conducted with selected participants for the pastoral researches, *Studying Catechetical Centers (SCC)*; and *Studying Catechetical Human Resources (SCHR)* whenever possible until October 2, 2019, Wednesday.
